

2025 Impact Report

Where Community and Care Grow Together

Ascension Seton
Williamson Foundation

The Outlaw family,
NICU Patient

Dear friends and supporters,

Thank you for standing behind our mission to ensure that everyone has access to the best possible healthcare.

Because of you, we can continue growing and fulfilling our mission—ensuring everyone who walks through our doors receives the care they deserve, especially the most vulnerable. Thank you for being part of our Ascension Seton family!

With much gratitude,

Jennifer Hayhurst,
Executive Director
Ascension Seton Williamson
Foundation

Award-Winning Care, Recognized Nationwide

Ascension Seton Williamson
Grade "A" Hospital Safety
from The Leapfrog Group.

High Performing Hospital
*for stroke care and hip fracture procedures
from U.S. News & World Report.*

Magnet with Distinction
*for nursing excellence by the American
Nurses Credentialing Center. This designation
recognizes the highest performing Magnet
organizations in the world.*

Your gifts to the Ascension Seton Williamson Foundation are expanding care across Williamson County and beyond.

This year, your impact went even further with the addition of **Ascension Seton Cedar Park**, bringing more access to high-quality care close to home.

For 20 years, your generosity has ensured Ascension Seton Williamson can meet the needs

of our constantly growing community. From recruiting top medical talent, expanding services, and providing care for every neighbor, regardless of their ability to pay, you are at the heart of what we do.

Because of you, more than 73,000 patients received compassionate, high-quality care this year.

Your impact also reaches the caregivers who make this work possible. Through the **Caring for the Caregiver** program, you provide support that improves the overall well-being of our frontline team members by funding associate appreciation events, team-building opportunities, continuing education and more. You carry our mission forward and we are deeply grateful.

73,000+
Patients received
compassionate,
high-quality care

1,700+
Children cared for
by the Care-A-Van

Because of your generosity, children across Burnet and Llano Counties have access to care they might otherwise go without.

Last year, donor support made it possible to replace the Ascension Seton Highland Lakes Care-A-Van—a vital mobile

clinic serving uninsured and underinsured children. For many families, the Care-A-Van is their child's primary medical home, providing checkups, immunizations, medications, and health education. Each year, more than 1,700 children receive care through the Care-A-Van, thanks to you. Your support brings health, healing, and hope directly to the children who need it most.

"This hospital didn't just provide care. It provided stability when things felt unsteady. Clarity when decisions felt heavy. And reassurance when hope felt fragile."

—Ken, Father of Jody, Trauma Patient

With Donor Support, Project SEARCH Empowers Independence

You are helping open doors through Project SEARCH at Ascension Seton for young adults with intellectual and developmental disabilities. Through a nine-month, immersive internship within the hospital, participants gain real-world job training, build confidence, and develop skills for lifelong success.

More than 450 individuals have completed the program since 2007, with an impressive 91% achieving employment outcomes.
